

Summary of Primary P.E. and Sports Funding

School Financial Year 2015-2016 Total Amount £8,835

What is Schools Sports Premium?

Building on the huge success of the Olympics 2012, the Government has given every primary school dedicated funding for sport to ensure that PE and sport are at the heart of school life. For 2015-16 Aughton St. Michael's received £8,835.

The school sports premium provides a fantastic opportunity to develop our facilities, staff and equipment with the principal aim of engaging more children in sport than ever before.

We have used our Sports Premium Money to fund the following projects:

Membership of the West Lancashire School Sports Partnership (£7395) which has provided access to:

- The provision of a School Sport Specialist for one and a half days each week. The specialist works with six classes and also runs an after-school activity. Each half-term a different curriculum area is taught and throughout the year units of work on striking and fielding, dance, athletics, gymnastics, invasion games and net/wall games will be delivered. The class teacher works alongside the specialist providing an excellent opportunity for staff CPD. The after-school provision has been planned to ensure that children from all classes have the opportunity to participate at some point in the year.
- Access to the West Lancashire School Sports Conference where new developments and planning for future projects took place
- Access to the WLSSP website
- Involvement in Level 2 School Sport Competitions
- Pathways into Level 3 County Competitions and exit routes into local clubs
- Access to local festivals and competitions delivered on behalf of the Primary Schools PE Sports Association
- Access to Gifted and Talented days across a range of disciplines including water polo and diving
- Access to Inclusion festivals for pupils with low attainment or confidence in P.E.
- Access to Bike Ability training for Year 6 and 5 pupils
- Advice and Support on Health & Safety in P.E.
- Development of Sports Leadership in Schools

Sports Activity Days (£636)

Years 1-4 took part in a Sports Activity Day at JMU University in July. They participated in sports not usually accessible in school including badminton, volleyball and lacrosse. Sports Premium money was used to subsidise this experience.

Rock and River visit (£765)

Year 6 pupils participated in water sports activities at this popular activity centre

Crosby Marina (£300)

Year 5 pupils participated in Dragon Boat Racing at Crosby Marina

Coach travel (£1555)

Coach travel was provided to the above venues along with a visit to Winmarleigh Hall for the Year 6&5 Outdoor Activity Holiday

Children's University (£200)

A subscription was made to the Children's University to encourage participation in a range of activities

Welfare Assistant Training (£205)

To encourage greater structured play activities at lunch time, two members of staff attended a course provided by the Youth Sports Trust. This course also provided a bag of play equipment for use at lunchtime.

Impact of Primary P.E. and Sports Funding

Improvement in the quality of teaching and learning across different aspects of P.E. including athletics, gymnastics, dance, striking and fielding, net/wall games and invasion games

Increase in the number of clubs/ extra-curricular activities offered to children from all classes from Year 1-Year 6

Increase in attendance at the clubs / extra-curricular activities offered to the children

School was awarded the Silver School Games Award in this period

Continued strong performance at Level 2 Sports events.

Summary of Primary P.E. and Sports Funding

School Financial Year 2016-2017 Total Amount £9087

What is Schools Sports Premium?
