COVID

As you will know from my correspondence earlier this week, we have a significant number of people with COVID. This has impacted particular on the staffing in school, so please bear with us as we do our best to maintain some form of normality!

If your child is unwell and you are in any doubt whatsoever, please get your child tested using a PCR test. Please do not rely on LFT as we are getting quite a few negative results, when in fact the person is positive. Thank you.
