### Building Resilience and Flourishing

This week it has been evident how well the children have developed their resilience and maturity this year, which is great to see. This ranges from children choosing to stay in for 5 minutes extra to complete their long writing tasks, to the extra focus and drive from Year 6 pupils in their arithmetic papers, to Year 1 applying all they know about phonics in their assessments plus many, many more. However, by far the greatest example of resilience was from the Year 5 children (and staff) on the residential at Tower Wood. Their determination and high spirits, whilst conquering challenges and the weather, was fantastic. Moreover, the way they managed to stay awake and function well on Wednesday was amazing! Thank you to the staff who went on this trip, as well as to every other member of staff who have worked tirelessly this year for the children of our school.

## Breakfast and After School Club

Please can parents ensure that all children are booked onto any breakfast or after school club session that they require as we need to know how many children are attending to organise staffing and resources. If you are having issues with the online booking system please send an email to Mrs Golding to book any sessions. Please can you also ensure that sessions are paid before your child attends - this includes voucher payments.
