

Our Christian Value this half term:

HONESTY

“Our Whoever walks in integrity will be delivered, but he who is crooked in his ways will suddenly fall. Proverbs 28:18

Time for Reflection

At this time of the year, it is always useful to look back over books and see what the children have achieved and celebrate their progress and success. As a staff we have been looking at the whole range of work, from English to Maths to PE to Music and everything in-between. It is clear that the children have worked hard this year, developing a whole range of skills and some of the final pieces of work are excellent. In a few weeks, some of these books will come home to you and you will also be able to see their progress, hard work and successes. We look forward to sharing this work with you and hope you enjoy looking at it as much as we have. Just finally, the survey for parents to share their opinions for our new school vision is open until next Friday and available [here](#). If you haven't had the chance yet to complete it we would be very grateful if you could.

PTFA News

Every Friday this half-term the PTFA will be selling ice-creams at the end of the school day at the front of school.

IMPORTANT: Parking Around School

Firstly, I'd like to thank the vast majority of people who do park considerately around school. Unfortunately, there are a small number of people who consistently park poorly, causing inconvenience for our neighbours but, more worryingly, causing a danger to the children and parents walking to school. I would rather people parked further from school and were a few minutes late than blocking the pavements and parking on corners and obstructing the view for drivers. I simply asking people to consider whether their parking may cause an issue to others and, if they are causing an issue, to rectify it. Thank you for your help in this matter.

Food and Snacks in School

Just a quick reminder that any product that contains nuts should not be brought into school. Those that say 'may contain nuts' are ok. Even if the children are being kind, they should not share any food and snacks, just in case.

Drinks in School

Unless there is a medical reason, the children should only be bringing water to school in a school water bottle. Other water bottles are not permitted as we have had a lot of incidents with them breaking or toppling over and covering work.

At lunch time, the drink in a packed lunch should be juice or water, not a fizzy drink, energy drink or Prime.

Thank you for your support in this matter.
