

Pearl of Africa

During the month of October 2017, our school welcomed the Pearl of Africa Choir into our school for the day. The choir, primarily made up of teenagers, travels around the world raising money, to help people in their country of Uganda, with health care and education.

Mrs Gordon, in her own time, managed to collect £700 through her film nights and school donated the money to the choir. An outstanding achievement.

Well Done St. Michaels.
