Year 6, We're Proud of You

Finally, the sun has come out and it feels a bit more like the middle of May. Next week Year 6 will be sitting their SATs and before they start it is really important to acknowledge how hard they have worked this year. Their attitude and determination has increased during the year, along with their maturity and independence. We all know that they will apply themselves fantastically next week and that they will make us proud. Next week will therefore be a bit different in school, with changes to break times to allow minimal distractions for the Year 6s. Please could I also ask that children across the whole school arrive promptly on these days to again minimise any distractions. Thank you for your understanding and have lovely weekend.

Money Market Week

We will be having a market on Friday 24th May at 9:15am when the children will be selling products they have made during our Money Week. The aim is to make the learning around money more 'real' and to use their maths skills in a more real-life way. The PTFA will also be selling tea, coffee and cakes. We hope you can all make it.

School Dinners

In line with Lancashire County Council Catering Service price increases, the cost of a school dinner will be increasing to **£2.70** after the May half term, week commencing 3rd June 2024.
