What's Going On?

Following feedback from parents, we have launched our Instagram account over the last few weeks and have been regularly updating it with pictures and videos showing what we have all been up to. Having not been on Insta before it has definitely been a learning curve for me but with the help of the staff - mainly the younger ones - I seem to have got my head around it. I think the photos look great and seeing all the children and their work has been lovely. Next week, we will be sending out electronic image sharing permission and pupil information forms, so we can be fully prepared for next year. If you could keep an eye out from them that would be greatly appreciated. Hope you have a lovely weekend and that the England game is better than the last one!
