Foundation Subject Fun

This week I spent some time walking around school with various visitors looking at the provision we provide in the afternoons. Across the school the breath and scope of what was being provided was brilliant and the children could all talk clearly and knowledgeably about what they were up to. During the afternoon we saw some brilliant programming by Y1 and Y4 using Scratch. The links between the 2 lessons were really clear and the levels of difficulty showed progression and challenge. In EYFS they were mini-wheeling (if that's a word) and playing across the areas. Y2 were doing PSHE, Y3 were learning Spanish instruction and Y5 were planning their poetry based on The Highwayman. Finally Y6 were making waistcoats! Full sized wearable waistcoats with buttons and pockets which is extremely impressive. Thank you to all the staff for their dedication and hard work providing such challenging and engaging learning opportunities across the school. Have a great weekend and enjoy the sun!

Parking and Drop Off

Please can we remind you not to stop on the yellow zig zag area at the front on school. Using this area, even for a short period of time, makes it unsafe for other people and causes congestion.

Thank you for your cooperation.

School Dinners

Please ensure that you have paid for your child's school dinners in advance.

Next week is **Week 3**.

Ice Creams

The PTFA will be selling ice creams at the front of school every Friday. There will be a variety of choices from £1. Cash only so please remember to bring some change! Thanks for your support.
