These children have all completed the Rotary Junior Community Award. This award is a voluntary award that promotes positive values, leadership, confidence, knowledge, life skills and opportunities to engage with the community. It is a fabulous award, and we are incredibly proud of the fact so many children have completed it and the standard of the work they produced.

A massive thank you to Mrs McKenna who has supported these children, giving up her lunch hours to do so. Thank you also to Mrs Gordon for her support.
