Achieving all we can to develop fully our hearts and minds.

Sharing in a loving, caring, Christian community.

Making sure everyone is valued.

At Aughton St. Michael's CE School, we believe that learning should be a lifelong process and a rewarding and enjoyable experience for everyone. Through our teaching we focus on inspiring the children to learn, equipping them with the skills, knowledge and understanding necessary to be autonomous learners who reach their full potential. We believe that appropriate teaching and learning experiences contribute to children becoming successful learners, who lead rewarding lives as responsible citizens.

Principles

- To develop a community of learners where learning is valued, enjoyed, supportive and lifelong.
- To enable children to become confident, resourceful, enquiring and independent learners.
- To develop children's self-respect and encourage children to respect the ideas, attitudes, values and feelings of others regardless of race and culture.

- Recognise mistakes and errors as a learning opportunity and always persevere.
- Set high expectations - learning behaviour, progress in learning, presentation etc.

and where adults:

- Establish positive working relationships with all children in the class.
- Model learning and expected behaviour for the children.
- Treat all children fairly and with kindness and respect with encouragement, praise and rewards for all.

This learning culture will be actively taught and quickly established, and continually further developed and reinforced, throughout the year, involving the children at every stage.
